Announcing the 26<sup>th</sup> Annual Meeting of the  
Society of Environmental Toxicology and Chemistry  
Hudson-Delaware Chapter  
April 21-22, 2010  
Prallsville Mills  
Stockton, New Jersey

In preparation for the annual meeting, HDC-SETAC is accepting platform and poster abstracts in all areas of environmental science, toxicology and chemistry. Platforms will consist of oral presentations scheduled for 15 minutes followed by a short discussion. Posters and oral presentations may be submitted as non-competitive or as part of the student competition.

Abstracts must be received no later than March 19, 2010 by Dr. Nai-chia Luke at [LukeN@cdm.com](mailto:LukeN@cdm.com). Please indicate if the abstract is for a poster or oral presentation.

Agenda for the meeting includes a Wednesday workshop **Wastewater Treatment: Bringing 21st Century Science to a 19th Century Technology** including the following speakers:

- Dr. Rominder Suri – Temple University – Advanced Oxidation Processes for Removal of Hormones from Wastewater
- Eileen Murphy – NJDEP - Occurrence and Treatment Removal of Unregulated Contaminants from Drinking Water
- Dr. Keith Cooper – Rutgers University - In vivo and in vitro assays for evaluating estrogenic activity in waste streams
- Joanne Dahms – PWD - Managing Peak Flows
- Dr. Bob Traver - Villanova University – Green Approaches to Stormwater Best Management Practice
- Amy Bergdale EPA – Treatment of natural gas extraction wastewater

A Thursday meeting including short courses with topics such as Total Maximum Daily Loads (TMDL) and rain gardens, oral presentations by HDC-SETAC members and others on a variety of topics, and a poster session.
